

2012 Sponsorship Opportunities

With a sponsorship to the Society, you are providing support that helps maintain the grounds and gardens, helps in marketing the site as a significant place in the early history of our state and helps the society tell the story of Thomas Worthington, a founding father of Ohio, and his family. Your sponsorship also will allow us to provide resources to schools so that students of all ages from across the region and state can visit the site and see first-hand how early pioneer families lived, worked and played.

Your sponsorship also provides you with unique opportunities such as complimentary one day guest passes that you may use or pass along to family, friends, customers or vendors plus rental of the meeting room in the education center or the picnic area for special outings. A management or board retreat at Adena will be something long remembered. Please review the various sponsorship levels and choose the one that best fits your needs.
